Briefing and Networking Reception
In Honor of
Senior Chinese Banking Delegation
June 15, 2006 / San Francisco

Join us for a valuable opportunity to meet senior officials from China's city-level commercial banks, the China Banking Regulatory Commission, and the China Bankers' Association

Date: June 15, 2006

Time: 4:00-7:00PM

Location: Bankers' Club, 555 California Street, 52nd Floor

Transportation: BART (Montgomery St. Exit)

Participation fee: \$65 pre-event registration; \$90 at door

Professionals involved in the banking sector, technology companies that provide banking solutions and other firms serving the banking sector, please note: China will officially open this sector to foreign competition on December 11, 2006. As it undergoes reforms, the sector is seeing a wave of mergers and acquisitions as foreign firms seek to expand their presence in China and Chinese firms prepare for greater competition. As a result, Chinese banks are seeking technology solutions, equipment and services in many areas, including: credit analysis, risk management; networking & security solutions; data storage technology; operations & information management systems & services; bank card technology; related technology and service solutions. (For more details on the delegation: www.chinabanking.org.)

The evening's program will kick off with a briefing to provide US firms with an update on the status of the banks' modernization efforts and interest in US services and technology. A cocktail reception with hors d'oeuvres in honor of the visiting delegation will immediately follow the briefing.

Program:

4:00-4:45 Briefing on opportunities for US firms in China's banking sector
Speaker: Ida Peng, Financial Services Industry Specialist, US Embassy, Beijing

5:00-7:00 Networking reception in honor of visiting delegation (see <http://www.chinabanking.org>)
(Chinese delegation arrives at 5PM. Translators will be on hand).

Registrations are required by June 13 at 5 p.m.

Reservation rate: ☐ \$65 for Cal-Asia and Clients of US Commercial Service
